Mr. C. S. McCamy
National Bureau of Standards
Washington, D.C.

Dear Sir:

Your proposal for 'Microdensitometer Calibration and Evaluation' has been accepted by this office but is considered a separate contract from the 'Microdensitometer Capability and Interpretation Study' submitted to you.

Before work is begun on this contract however, it will be necessary to confer with you concerning the order of subject matter and form the proposed work. A tentative date will be forwarded by our contracts officer for your acceptance.

Sincerely yours,
STATINTL
